REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: With regards to the claims the prior art of record does not disclose or fairly teach wherein the fixed impedance transformation circuit includes at least one transmission line on the signal path and at least one shunt capacitor connected to the signal path, the fixed impedance transformation circuit further including at least one additional transmission line on a second signal path between a supply voltage-terminal and the signal path and at least one additional shunt capacitor connected to the second signal path, the second signal path at least partially being used to supply DC bias voltage to the varactor device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Kimberly E. Glenn whose telephone number is (571)-272-1761. The examiner can normally be reached on Monday-Friday 7:30 to 4:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Robert Pascal can be reached on (571)-272-1769. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
